Gernene Tan

gernenetan@gmail.com

Hardworking and passionate student with a knack for learning new things. Seeking to harness my creativity and artistic skills in a web development or design project. Hoping to utilize my unique skill set to help make something great!

EXPERIENCE AND PROJECTS

Solisles (A Virtual Pet Site) **solisles.com**
- Modified an open-source script to create a unique "adoptable site"
- Managed website matters from administration to web design and feature release
- A concoction of original ideas, cute animated graphics, and lots of code

Just Tangerine & Personal Portfolio **just-tangerine.com** & **gernene.com**
- First completely self-coded personal site
- Specially customized to showcase my work

Fairview Girls Who Code Club
- Core member and co-leader

Operation Give Back (volunteering match site for students):
- Created responsive and mobile-friendly layout using Bootstrap

Fairview Girls Who Code Site: **fairviewgwc.herokuapp.com**
- Responsive design focused on encouraging membership and participation
- Informational and promotional site

Fairview Web Team **fairviewhs.org**
- Junior leader
- Leading responsive redesign

EDUCATION

Fairview High School, Boulder, CO

Sophomore
- Relevant Courses: AP Computer Science
- Clubs: Code Club, Robotics, Technology Student Association, Girls Who Code, Fairview Web Team

ADDITIONAL SKILLS

- Experience with digital art and image editing
- Eloquence in writing and communication
